PURPOSE:

The Society was established to promote an interest in and appreciation for the history of New Durham. The Society supports this goal by collecting and sharing materials that document the unique history of the town. The organization encourages and helps support the restoration and preservation of the town's historic places, landmarks, objects and documents related to the town's history.

The Historical Society is also a social organization which sponsors activities and programs of interest to the community. Its regular meetings feature speakers from the local area and from around the state.

The New Durham Historical Society is a 501(c)(3) Non-Profit Organization supported through the contributions from the public and its members.
